PROFESSIONAL SUMMARY

Creative and detail-oriented freelance creative professional with experience through Vee's Creatives since April 2025. Experienced in flyers, social media graphics, promotional materials, invitations, event designs, customised products, DTF design support, resin art, typing and document formatting. Skilled in Canva, CorelDRAW and PixelLab, with additional abilities in CapCut, client communication, research and writing. Over the past year, I have worked with up to 50 people across my creative services. A fast learner with strong attention to detail, organisation and a willingness to learn new tools, seeking a remote opportunity to contribute creative and administrative skills.
